

# BUMP IN SHARED ZONE SAFETY CONSIDERATIONS

PLEASE READ AND SIGN TO ACKNOWLEDGE THAT YOU HAVE READ AND UNDERSTOOD THE FOLLOWING DIRECTIVES

- Please be aware of moving plant and follow instructions given by the spotter
- Please use 3 step ladders safely and do not stand on the top step
- Do not use any electrical equipment including leads and power boards that have not been tested and tagged and are current. Double adaptors are prohibited.
- Wear your high viz and covered in shoes during bump in and bump out at all times
- Should there be an emergency a beep beep alarm will sound, please remain at your stand. If there is a whoop whoop alarm, please remain calm and stay at your stand but be aware of emergency exits at the entry and dock areas of the halls.
- If there is a need to evacuate, a fire warden will direct you to our assembly area across the TE Peters Bridge to the park opposite.
- Bathrooms are located across the entry foyer
- Should you have a first aid requirement, please see Security. They are all first aid trained and will direct you to the first aid room at the back of house.

**THANKYOU FOR YOUR COOPERATION AND ENJOY THE EVENT**
